WORLD EDUCATION CONGRESS

4th - 5th July, 2019 | Taj Lands End, Mumbai

REORIENTING EDUCATION FOR A SUSTAINABLE FUTURE

Co-Hosted Events

Global LearnTech

EDUTech

MODELING DIGITAL CITIZENSHIP IN THE CLASSROOM

EDUTech BRIDGING THE DIGITAL DIVIDE
The World Education Congress will be a rendezvous, in which participants will discuss “Evolving Trends in Education”. The congress will examine modern as well as traditional knowledge systems. The Congress will further explore how education can help develop mental, emotional and physical skills to help facilitate personal excellence as well as psychological and Socio-economic well being, in the challenging times the world faces today. Besides networking opportunities, the conference offers unique in-depth approaches to understanding important academic issues that affect an Institution's viability in today's fast-paced business environment.

**THE CONGRESS WILL FOCUS ON:**
- To influence the evolving culture of education and educational pedagogy, with the objective of deep systemic change.
- To build on a vision and strategies for Higher Education Institutes.
- To Provide exposure to latest education tools, technologies and Solutions.
- To encourage collaboration and partnership among Institutions.

E-Learning is commonly referred to the intentional use of networked information and communications technology in Teaching and Learning. The term E-Learning comprises a lot more than Online Learning, Virtual Learning, Distributed Learning, Networked or Web-based Learning, Mobile Learning, Digital Learning. The entire eLearning community comes together to learn, share, and connect around one common goal: to create more engaging and effective learning experiences.

The Global Learn Tech Conference & Awards 2019 is scheduled on 4th - 5th July, 2019 at Taj Lands End, Mumbai.
